PsyCurio

Intern Business Administration (m/f/d)

Revolutionize with us the digital health market in the field of psychotherapy! We develop an innovative virtual reality software. The software can be used to treat various psychological and later neurological disorders. The product is developed and scientifically validated in close cooperation with renowned clinics. The team is interdisciplinary, was awarded by the BMWi in 2018 and receives strong support from the founding scene and scientific institutions.

Your Responsibilities

Choose your focus: Business Development, Finance, Marketing, Sales, ...

- Shape the strategic direction of the company.
- Build relationships with our cooperation partners.
- Take part in interesting conferences, meetups and other events.
- Participate in the development of the recruiting strategy.
- Research on the future of psychotherapy.
- Negotiate with our clinics and care the customer contact.
- Find new ways to enable scalable growth.
- Make the case clear with numbers and prove assumptions.
- Support in marketing and public relations.

Your Profile

- You are self-reliant and responsible.
- You are interested in economic or psychological topics.
- You have solid business knowledge and experience in creating business plans and calculating case studies (Excel).
- You are curious and interested in learning something new.
- You can work on tasks systematically and structured.
- You like dealing with people.
- You want to make a difference: With PsyCurio, you're designing a company that solves a real problem. Digital Health inspires you like us!

What we offer

- Get to know all processes first-hand from a start-up team.
- Develop your own strengths and participate in workshops.
- Option to renew contract of work.
- Start-up spirit: flat hierarchies, participation in interesting events, open communication, a family-like and interdisciplinary team.

When and where?

What: Mandatory internship within the context of your studies

When: entry possible at any time, flexible number of hours

Where: Technology Park in Paderborn, here we meet at least once a week. Home Office is also possible.
